### Why would you come?

Men at the Cross is for anyone who wants to grow in maturity. Men bring all manner of issues and concerns to the weekend. It could be a search for direction, growth in confidence, healthier relationships or to become more aware of how you show up in the world. It is also an opportunity for some men to address fears, shame, anger and pains from the past or present. Whatever you bring is welcome.

If you want to know more of God's grace in any area of your life, we invite you to come and join us at the foot of the cross as we risk stepping into the current of God's grace.
